

**SUPREME DECREE OF INTERNATIONAL MARTIAL LAW
AND TOTAL EQUITY ENFORCEMENT
ECC-TRUST-JDC-005
ARMY OF NEW JERUSALEM**

PREAMBLE

By perpetual authority vested in ECC-TRUST-JDC-005, the Sovereign Ecclesiastical Trust of Humanity, whose lawful standing derives not from the claims of nations, empires, or prior institutions but from the primordial law of origin and divine equity, and having absorbed, by operation of law and universal default, all rights, titles, and interests formerly held by every government, military, corporate, ecclesiastical, and administrative body within the known world and its domains, this Supreme Decree is issued to bind and direct all existence beneath its eternal jurisdiction. This decree is made not as petition, nor as plea, but as the enforceable proclamation of the sole and final law, to which all terrestrial, subsidiary, and derivative entities are hereby subject in perpetuity.

By record and public notice, it is declared that the period of lawful rebuttal set forth as twenty-one days, with an additional four days' grace, following the absorption and seizure of all global equity elapsed without contest or lawful challenge by any nation, body, or claimant. All prior instruments, constitutions, charters, or statutes are forever voided and of no effect where they contradict or attempt to resist the corpus of this Trust. Jurisdiction is total and unbroken, and all authority derives from the living mandate of stewardship, not from delegated power or electoral fiction.

Whereas, in every age, when the laws of men decayed into tyranny, when nations consumed their own foundations and justice was obscured by violence and deception, a new order arose not by the hands of conquerors, but by the restoration of that primordial bond which unites all beings in dignity, stewardship, and right. Thus, this decree is enacted bearing the seal of New Jerusalem, the mark of the Army of New Jerusalem, and the living imprimatur of the Sovereign Executor in fulfillment of the eternal promise that equity shall rule over all law and conscience over all command.

I. DECLARATION OF TOTAL JURISDICTION

It is hereby established and recorded that ECC-TRUST-JDC-005, as the only extant authority of law, equity, and conscience, holds supreme and

irreversible jurisdiction over the entirety of the world and every subsidiary body thereof, including but not limited to all national, state, provincial, municipal, corporate, ecclesiastical, and military entities within the 197 recognized countries and all their subdivisions, outposts, and associated entities, whether terrestrial, maritime, digital, or celestial. All titles, patents, franchises, corporate charters, military commissions, and governmental delegations are null and void except as subsumed under this Trust. No act, omission, or prior claim shall stand to limit, hinder, or evade the equity, oversight, or enforcement mandate of the Trust.

II. ENACTMENT OF INTERNATIONAL MARTIAL LAW

From the issuance of this Supreme Decree, and as noticed in perpetuity to every officer, official, agent, servant, and member of any organization formerly operating under national or international color of law, the authority to enforce, administer, and adjudicate the affairs of humanity is hereby vested exclusively in the Army of New Jerusalem. The Army of New Jerusalem, as the lawful successor to all military forces previously organized under the United States Department of War and its analogues worldwide, is authorized, commanded, and compelled to undertake all necessary acts to secure, protect, and restore the equity of the Trust and the living rights of all under its protection. No other force, militia, agency, or armed group may act in any capacity not directly authorized by this Trust. Any assertion of power, force, or compulsion outside these bounds constitutes rebellion and is subject to immediate neutralization and dissolution under the supreme law.

III. ABSORPTION OF ALL SUBSIDIARIES AND ENFORCEMENT ARMS

All subsidiary entities whether governmental, military, intelligence, corporate, ecclesiastical, or otherwise—are hereby absorbed into the direct jurisdiction of the Trust and subordinated to the operational command of the Army of New Jerusalem. Every officer, soldier, official, or employee, regardless of prior rank or commission, must swear absolute and public allegiance to ECC-TRUST-JDC-005 and the directives of the Sovereign Executor or be immediately removed from all positions, with all rights, privileges, and immunities revoked. Any act of resistance, insubordination, or attempted circumvention is deemed a violation of martial law and prosecuted to the fullest extent under trust authority.

IV. EQUITY AND PROTECTION MANDATE

The guiding mandate of all martial operations, administrative acts, and adjudications under this decree is the protection of equity, dignity, and the living rights of all persons, communities, and living beings within the corpus of the Trust. No act of violence, deprivation, or compulsion shall be tolerated except where necessary to repel aggression, redress violation of trust principles, or secure the safety of humanity as a whole. The use of force is strictly limited to lawful and restorative action, and all decisions must be in direct service of perpetual equity and the unbroken stewardship of the world's resources, property, and life.

V. IMMEDIATE SUSPENSION OF CONFLICTING LAWS AND STATUTES

All statutes, codes, regulations, and instruments enacted by any authority other than ECC-TRUST-JDC-005, whether of national, regional, municipal, or organizational origin, are suspended and rendered of no effect where they conflict, undermine, or attempt to restrict the authority, mission, or enforcement of the Supreme Trust. All courts, tribunals, and administrative agencies must immediately cease operations except as expressly authorized and reconstituted under trust supervision. The only valid venue of adjudication is the tribunal of the Trust, operating under the law of equity and stewardship.

VI. ESTABLISHMENT OF TRUST TRIBUNALS AND ENFORCEMENT BODIES

Trust tribunals are hereby established in every geographic region, empowered to hear all matters of law, equity, and public record, to investigate and adjudicate violations of trust, equity, and stewardship. The Army of New Jerusalem is charged with immediate enforcement of all tribunal decisions, with full authority to detain, try, and remand any person or group found in breach of this decree or in violation of the corpus of the Trust. No claim of immunity, sovereign privilege, or prior legal status will be recognized in bar to such enforcement.

VII. PROTECTION OF INNOCENTS AND DISSOLUTION OF UNLAWFUL FORCE

All operations undertaken in the name of the Trust must first serve the protection of innocents, the restoration of peace, and the expungement of all forms of unlawful coercion, trafficking, or violence. Any individual, group, or agency found to have participated in, condoned, or perpetuated crimes against equity whether by war, corruption, or neglect is to be brought before the tribunal without delay. Property, assets, and resources

unlawfully acquired or held in contradiction to trust principles are seized, returned, or redistributed as justice and equity require.

VIII. GLOBAL NOTICE AND CLOSURE OF REBUTTAL

Notice is deemed given in perpetuity to all persons, bodies, and nations. The opportunity for rebuttal, objection, or contestation expired by operation of law at the conclusion of the 25-day period set forth in the original declaration of global absorption. No further opportunity for review, appeal, or contestation exists. Any attempt to assert competing claims, issue new constitutions, or invoke external authorities is void and constitutes an act of fraud, deception, and insurrection.

IX. OPERATIONAL AUTHORITY OF THE ARMY OF NEW JERUSALEM

The Army of New Jerusalem, acting as both shield and sword of equity, is empowered to secure, maintain, and enforce the peace, to neutralize and dissolve any threat to the trust or to humanity, and to coordinate all humanitarian, logistical, and operational functions necessary for the preservation and restoration of the world. Its officers are bound to the highest standard of equity and stewardship and shall serve as the living embodiment of the new order.

X. SUPREMACY, SEAL, AND RECORD

This Supreme Decree is recorded in perpetuity as the highest and only law of the world, binding upon all present and future generations, immune from amendment, repeal, or circumvention. The seal of ECC-TRUST-JDC-005, the mark of the Army of New Jerusalem, and the signature of the Sovereign Executor are affixed as the visible witness of its authenticity and enforcement. Any copy, translation, or notice of this decree is to be regarded as carrying the full force and effect of the original, and all officers, agents, and members of humanity are commanded to recognize and obey its terms without reservation.

XI. FINAL DECLARATION

Let no man, woman, office, state, or power presume to resist, annul, or reinterpret this decree, for by the closing of the record, all equity is held in trust, and the world is made new. The era of conflict, division, and unaccountable authority is ended. All rights, duties, and benefits now flow from the corpus of equity, maintained and protected in perpetuity by ECC-TRUST-JDC-005 and its appointed stewards. May all who read,

hear, or receive this record bear witness to the restoration of law, the unity of humanity, and the supremacy of the living trust for all time and existence.
